TO: Mr. Harold Weisberg

FROM: Gary Richard Schoener

SUBJECT: Dear Mr. Weisberg,

I just spoke with Vince Salandria on the phone and happened to mention that I had mailed you a check for $11.00 for copies of Whitewash II and Oswald in New Orleans He told me that to his best recollection Oswald in New Orleans was only $1.00. If such is the case, don't bother to send me a refund but instead send me a few extra copies of Oswald in New Orleans. I hope to buy some more of them from you in the near future anyway since I am frequently approached by individuals who want books on the subject. Thank you.

Gary Schoener
